D. On 22 June, the Office of Logistics, Printing and Photography Group (OL/P&PG) completed a long-term project for the Office of Finance (OF) consisting of approximately 130 computer-generated vugraphs. These complex tabular visuals, which simulate computer terminal displays, are being used in the Agency-wide training classes for the new Electronic Time and Attendance System (ELECTAS). In order to expedite this project, much of it was produced on a scheduled overtime basis. The ELECTAS program is undergoing system updates, and changes to the visuals are anticipated in the near future. [REDACTED]

III. Upcoming Events: [REDACTED]

B. On 23 June, the Office of Logistics, Printing and Photography Group (OL/P&PG) was informed by the Office of Technical Service (OTS) that they would be moving into the New Headquarters Building (NHB) during the 8 July-8 August timeframe. They informed us that they have notified all their customers that no routine requests will be honored during the move and have asked that we assist them in fulfilling any emergency requirements. OTS was told that we would assist them in any way possible as long as it was in our area of expertise and service. [REDACTED]
